**RE: EVALUATION RESULTS - Request for Qualifications (RFQ) 100113
Engineering Continuing Services - Airport Projects**

The City of Leesburg would like to thank all firms which submitted qualifications for evaluation in response to RFQ 100113.

A technical evaluation committee evaluated the submitted Qualifications Statements in accordance with the evaluation elements (criteria) detailed in the RFQ.

For each Qualification Statement evaluated, numerical scores assigned by each member were totaled and converted to an ordinal or ranking. The rankings for each firm were totaled and then converted to an overall ordinal score. Using this method has proven to minimize the effects of large variances in any one evaluators' scoring.

The evaluations are now complete. Respondent Firms are listed below in ranked order.

Hanson Professional Services Inc.
Hoyle, Tanner & Associates, Inc. / PBS&J
LPA Group
C&S Companies
OM Engineering Services, Inc.
American Infrastructure Development

The City has initiated discussions with the highest ranked firm in an effort to establish an agreement.

Again, the City thanks you for your time, effort and patience.

Respectfully,

Mike Thornton
Purchasing Manager
City of Leesburg
