Frederica Mack

1102 Tuskegee St

Leesburg, FL 34748

352-728-4769

To Economic Development, City of Leesburg Florida:

I am writing this request for the interest that I have in the property on E. Line St, adjacent to 1102 E. Line St. property. My family has been there for a very, very long time. To my understanding, my grandmother who passed before I was born owned the property, so I am the third generation to own my piece. The requested property was owned by friends of the family.

This property will be a great addition to my family and the community. We would like to keep that side of the road as a neighborhood. I have three daughters and would like to see one of them build a home with the two lots combined. My sister lives next door, so her portion will be left to heir as well; so this will be a wonderful piece of property to keep family legacy going.

My offer for this property is \$12,250. So please consider.

Thank you,
